Sue Ann Werling was concerned that we do well- and our wonderful Treasurer, Dale, did his best to exhort us all to do our very best.

## GSE VISITS BROWN COUNTY

Dan DeBard introduced his GSE Team, and shared their experiences when they visited Brazil.

An informative slide show gave us a visual idea of life in this lovely and industrious country, and the Team's individual learning experiences. He introduced team members Jooi Byrd, an Art Administrator at IU, and Brooke Helvey, the Admissions Coordinator for a Retirement Community in Bloomington.

Ken Harker will represent the Club and the District as GSE Team Leader to England next year.

## OCTOBER 2008

### CLUB HAPPENINGS

The Board is very active planning for both the long and short term. It's difficult to keep up with such an active club, full of projects, missions, duties, and programs.

Pryde Bayliss, our President, must move quickly to participate with everyone. We are blessed to have many good people.

**REMINDER:** instead of the regular Avenues of Service meetings this month, our club is having an Assembly. This is an opportunity for the members to voice their opinions about our programs, finances, community involvement, and perhaps new directions which have not yet been explored. So, please bring your thoughts to our October 30<sup>th</sup> meeting.

**FAIR RESULTS:** Bob Ormiston, Al Kosinski and Dale Cassidy were really happy to announce the net income from our County Fair booth was \$2,957.35! It was worth the work. Matching funds increased our Fair proceeds by \$1,400.

**CHRISTMAS PARTY:** Save December 11<sup>th</sup>, for a good time at the Reichert's home. Sue Ann will provide more details as the date moves closer.

**I LIKE ME BOOKS:** Jim Simms is forging ahead with independent fundraising of \$1,200 for the "I Like Me" books. If you haven't been a part of this in the past, you have missed the happy excited faces of the kindergarten youngsters.

**WELCOME TO BROWN COUNTY:** sign on east 46 will give incoming Rotarian tourist the "heads up" on the place and time for Rotary fellowship. (Club Service will implement soon)

**MEMBERSHIP:** Yvonne Olinger has a good plan to help us expand our classifications and methods for recruiting. She also has new proposals for new member induction and for member involvement in our club.
