President's Message

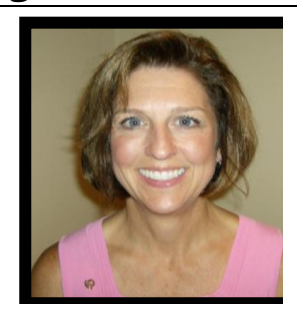

..... **Sue Ann Werling**

WOW- What A Year!

Congratulations!

Because of YOU, our Rotary Club was named the Outstanding Rotary Club in District 6580 for 2010-2011. Achievement of this recognition can only be accomplished when everyone pitches-in, and accomplishes real results. And, our club achieved amazing results.

From cleaning up highway trash, to helping with our new community pavilion that was graciously donated by Jenny Johnson - to recognizing our community's best students and teachers, to helping serving our fellow residents at Mother's Cupboard- it was YOU who made it happen. And, many of your supporting spouses also helped with our community projects. This is what made our club so successful.

As a club, we felt loss with the passing of Jim Simms - a wonderful friend and fellow Rotarian. He was a very generous and soft spoken man with a big heart. May we continue his passion for helping others, and for improving our community.

Since this is my last report as President, I want to thank each and every one of you for making this past year - a year to remember. This has been an experience, for which I will retain wonderful memories.

Sincerely,

Sue Ann

The Shadow

..... It Is A Secret

President Sue Ann wants to activate all agents who have not presented -- at club meetings or in our newsletter -- their descriptions of fellow Rotarians. She would like to hear from those agents before her term expires as our club president. If you have not presented your sleuthing facts, in compliance with the Four-Way Test, give her a call (988-1048) so that she can place you on her meeting agenda or know that you plan to use the newsletter. Whatever you do, be mysterious and have fun.

Muammar Gaddafi, the flyover in Libya, American sentiment and the battle between Gaddafi forces and rebels will get attention when the Brown County Rotary Club meets Thursday, June 9, at 7:15 a.m. in Nashville's Artists Colony Inn.

The speaker will be Roger Kelso, former Nashville town manager and now the chief operating officer for R. W. Armstrong, a civil engineering firm based in Indianapolis.
