President's Message

..... Sue Ann Werling

Dear Rotarians:

Spring has SPRUNG! The daffodils are emerging from their winter sleep and birds are dancing around building their nests. I love this time of year. It's time to dust off the winter blues and get involved in a new project.

This month, Rotary International is recognizing Literacy. As we know, literacy is a key to our success, and the success of human society. I encourage everyone to take this time to directly or indirectly support tutoring, send a book to a child or donate a Birthday book to the local library.

In addition, Rotarians recognize World Water Day on March 22. This year's theme focuses on urban water management. So often, we take our water supply for granted. Many families around the world do not have clean water. In the past, our club has been involved

in supporting water projects in other countries. We need to keep up the good work and continue to pursue development of clean water for everyone.

Remember - spring those clocks forward on March 13th.

Sue Ann

The Four-Way Test

Of the things we think, say or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

Great Truths Learned During Childhood...

- If your sister hits you, don't hit her back. They always catch the second person.
- Don't wear polka-dot underwear under white shorts. No matter how cute the underwear is.
- You can't hide a piece of broccoli in a glass of milk.

So much of what we learned as children still is true. You will always be seen for who you are no matter how you try to hide.
