President's Message

..... Sue Ann Werling

For many members in our club, the passion for providing the best future for our youth is on the forefront of their minds. This month's club programs will be focusing on education in our community.

Here are a few programs we support as a club; Student of the Month/Year, Teachers of the Year, Entrepreneur Business Plan Contest, I Like Me Books, RYLA, Speech Contest and Teachers Warehouse.

As individuals, we have many Rotarians that spend countless hours tutoring and mentoring those who need our help. This year, we have many opportunities as Rotarians, to reach out to the next generation.

Thank you to everyone who embraces the future of our children, and the new generations coming along.
